

DESCRIPTION

FIX TILE PREMIUM G Multipurpose highly polymer modified cement based tile adhesive which imparts high strength, flexibility for fixing VITRIFIED TILES & INDUSTRIAL FLOORINGS for internal & external areas for both floors and walls.

RECOMMENDED USES

FIX TILE PREMIUM G is used for the permanent fixing of vitrified tiles & areas where high strength is required. Specially formulated for high traffic areas.

ADVANTAGES

- It has excellent water and Impact resistance
- Excellent adhesive strength
- Good slip resistance
- Minimum shrinkage
- Highly polymer modified.
- Best workability

APPLICATION METHOD

FIX TILE PREMIUM G should be applied after proper surface preparation. Apply using a flat trowel at a thickness of 3 mm and level it by notched trowel. The thickness of the ribs will depend upon the size of tile. Do not spread more than 1 sq. meter at a time. Fix the tiles immediately with sliding motion to avoid poor bond. Adjust the position of tile before the open time of mortar otherwise it will affect on bond strength. After the completion of fixing tiles remove the excess mortar by using a damp cloth before setting of material.

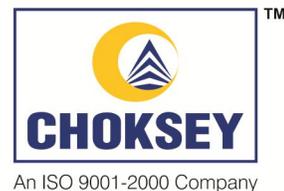

SPECIAL NOTES

Tiling in newly constructed building should not commence until all shrinkage movement and creeping has taken place. Always keep at least 2 mm of gap between two tiles. Direct sunlight, wind or rain should be avoided while application time.

Grouting should be carried out for at least 48 hours after completion of tiling.

FIX TILE PREMIUM G

TILE ADHESIVE

MIXING

FIX TILE PREMIUM G is supplied in 20 kg bags. It should be mixed with a 4.5 - 5 liter of potable clean water. Use electric agitator to achieve uniform and homogeneous mix.

PACKING:

It is available in 5 kg & 20 kg bags.

COLOUR:

Grey

COVERAGE:

Approx. 60 -65 sq.ft per bag of 20 kg with square notch trowel of 3mm bedding. The coverage depends on the conditions of the substrate and the type of tiles.

CLEANING:

Water is all that needed to remove uncured mortars.

HEALTH AND SAFETY:

Non hazardous. If ingested seek medical advice immediately.

TECHNICAL SERVICE

CHOKSEY CHEMICALS technical service department is pleased to offer full Technical support on specific application.
